INTERNSHIP DAILY LOG

Classes: Grade 9, Matriculation, and First Year **Topics:** Parts of Speech, Tenses, Active and Passive Voice

Day	Date	Day of Week	Activities Performed	Skills Developed	Hours Logged	Signature
1	04-09-2026	Wednesday	Attended an introductory session and became familiar with the teaching setting, learners, and internship expectations. Observed classroom routines and planned lessons suitable for the learners.	Professional communication, observation, lesson planning, and understanding internship expectations.	4	
2	09-09-2026	Friday	Introduced the lesson routine and checked learners' existing knowledge through simple questions. Explained the importance of English grammar and encouraged students to participate.	Classroom communication, learner engagement, questioning, and informal assessment.	4	
3	16-09-2026	Wednesday	Introduced the eight parts of speech with simple definitions and examples. Asked learners to identify nouns, pronouns, verbs, and other parts of speech in sentences.	Grammar instruction, explanation skills, questioning, and identification of language structures.	4	
4	18-09-2026	Friday	Explained nouns and their common types with examples. Guided students through identification exercises and asked them to construct sentences using different nouns.	Concept explanation, example development, classroom interaction, and formative assessment.	4	
5	23-09-2026	Wednesday	Reviewed nouns and introduced pronouns and their types. Used examples from everyday life and checked understanding through oral questions and written practice.	Revision, grammar teaching, oral questioning, and error identification.	4	
6	25-09-2026	Friday	Explained verbs and their types, focusing on action and helping verbs. Guided learners in identifying verbs and using them correctly in sentences.	Grammar instruction, sentence construction, learner participation, and feedback.	4	
7	30-09-2026	Wednesday	Explained adjectives and adverbs and distinguished their functions in sentences. Students identified describing words and practised making their own examples.	Concept differentiation, use of examples, grammar assessment, and classroom communication.	4	
8	02-10-2026	Friday	Explained prepositions and conjunctions with everyday examples. Learners completed sentence-based exercises and reviewed previously taught parts of speech.	Grammar teaching, guided practice, revision, and checking comprehension.	5	
9	05-10-2026	Monday	Introduced tenses as ways of expressing time. Explained the basic present, past, and future framework and asked students to classify example sentences.	Lesson sequencing, concept introduction, questioning, and assessment of prior knowledge.	5	
10	06-10-2026	Tuesday	Explained forms of the verb "to be" in present, past, and future contexts. Modelled sentence patterns and guided learners in creating affirmative and negative examples.	Grammar explanation, modelling, sentence formation, and corrective feedback.	5	
11	07-10-2026	Wednesday	Taught simple present, simple past, and simple future tenses. Students practised forming sentences and changing examples from one time reference to another.	Tense instruction, sentence formation, practice design, and assessment.	5	

Day	Date	Day of Week	Activities Performed	Skills Developed	Hours Logged	Signature
12	08-10-2026	Thursday	Introduced present, past, and future continuous tenses. Explained their use with contextual examples and conducted short oral and written exercises.	Grammar teaching, contextual examples, oral practice, and error correction.	5	
13	09-10-2026	Friday	Explained perfect and perfect continuous forms using examples. Reviewed tense patterns and corrected common errors through guided practice.	Explaining complex grammar patterns, revision, learner support, and feedback.	5	
14	14-10-2026	Wednesday	Introduced active and passive voice, explained the role of the subject and object, and modelled sentence transformation. Students practised changing suitable sentences from active to passive voice.	Voice transformation, grammar explanation, guided practice, and error correction.	5
